EPISODE 4:

A NEW HOPE

It is a period of diplomatic deadlock. Rebel senators, striking from a hidden base, have won their first victory against the evil Government Empire.

During the battle, Rebel senators managed to steal secret plans to the Empire's ultimate weapon, the PATRIOT ACT, an indiscriminant spying machine with enough power to monitor an entire planet.

Pursued by the NSA's sinister agents, Tux races home aboard his starship, custodian of the stolen plans that can save his people and restore freedom to the galaxy....
